

FACTSHEET U SATHORN BANGKOK

U Sathorn Bangkok is located in a peaceful part of the capital where natural beauty sits alongside the hustle and bustle of this busy Bangkok district. The luxuriously appointed property features Superior, Deluxe Garden, Terrace Garden View and Suite accommodation in three low rise wings set in a courtyard-style surrounded by restful green areas with a swimming pool as the centrepiece. The overall design of this urban resort was conceived in a French Colonial style with a contemporary twist inspired by Sri Lankan Geoffrey Bawa, who was regarded as one of the most influential Asian architects of the twentieth century. The design breaks down the barriers between the inside and outside and between interior design and landscaped architecture which reduces the buildings to a series of delightfully conceived spaces separated by natural features.

For a true touch of luxury we provide exquisite BVLGARI shower amenities in our Terrace Garden View Rooms and Suites created exclusively for U Sathorn Bangkok, Happy Hour whenever/wherever, a complimentary welcome cocktail, complimentary minibar beverages, a special Thai turn down service (with Thai cookies) and a local charity's memorable souvenir.
